Rick Bergermeister brought in business cards for company that does powder coatings for cars and motorcycles at reasonable prices. The owner **Scott Kotoski** charges \$75 for coating each wheel. He will also install and balance each tire for an additional \$25. The company *SPEED POWDER* will be added to the preferred services list at the end of the minutes.

Alan Petrik got steering column for a 1929 from **Tom Marks**. He disassembled it and found that all of critical parts are still usable.

Bill Johnson put in a *Mitchel Transmission* and reduced weight V8 flywheel and clutch he got from **Rich Falucca**.

Tim Perffitt is asking for help with his newly acquired Model A. **Gene Egert** helped get it started. He will send an email recommending a day. For a “house Call”.
